Dear Sirs,

**Re : Award of Road Contract under Output and Performance Road Contracts System (OPRC) in the Botswana to Elsamex S.A. Spain**

We wish to inform you that the Company in Joint Venture with Elsamex SA, wholly owned subsidiary of the Company in Spain has been awarded a Contract by Roads Department Ministry of Transport and Communications, Republic of Botswana under Output and Performance Based Road Contracts system (OPRC) for a period of 10 years effective February 19, 2014

The total length of the Roads to be maintained for both the Contracts is 267.4 Km for a total value of USD 216.7 Million (approx. ₹ 1,348.52 Crores), which are being financed by the World Bank

Yours faithfully,  
For IL&FS Transportation Networks Limited

Krishna Ghag  
Vice President &  
Company Secretary
