The same has absorbed a sum of ₹ 6,07,59,473/- and ₹ 45,03,34,904/- including tax on dividend of ₹ 1,02,77,037/- and ₹ 7,61,70,973/-, respectively and no amount was transferred to any special reserve

## REDEMPTION OF NON - CONVERTIBLE DEBENTURES:

The Company had issued 4,636 Secured, Rated, Listed, Taxable, Redeemable, Zero-Coupon, Non-Convertible Debentures of Face Value of `1,000,000/- each (the "Debentures"), aggregating upto Rs. 4,636,000,000 on a Private Placement basis on December 9, 2010. Out of the aforementioned Debentures, the Company had redeemed 3,663 debentures as of date including 403 debentures redeemed during the year under review

## OPERATIONS OF THE COMPANY

The Company continued to maintain and operate the Belgaum Maharashtra Border Road project to the quality standards in accordance with the contractual requirements. During the year under review, the Company received annuity payment of `101.03 Crores from National Highways Authority of India.

## INTERNAL CONTROL SYSTEM

The Company had implemented an internal control framework (ICF) covering various aspects of the business which enables a stage-wise/process-wise confirmation of the compliance of the control self-assessment to be provided by the maker and reviewer of transactions and also facilitates audit, both at the Corporate and at the project levels. The internal audit is carried out by a firm of Chartered Accountants using the ICF and they report directly to the Audit Committee of the Board of Directors. The Corporate Audit function plays a key role in providing both the operating management and the Board's Audit Committee with an objective view and reassurance of the overall control systems. The ICF is periodically modified so as to be consistent with operating changes for improved controls and effectiveness of internal control and audit.

The Internal Auditor's scope and authority are derived from the Internal Audit Plan, which is approved by the Audit Committee. The plan is modified from time to time to meet requirements arising from changes in law as well as out of the improved controls resulting from the implementation of the ICF. Internal audits are conducted every quarter and covers operations, accounting, secretarial and administration functions. It also provides special reference to compliances based on the audit plan. Internal audit reports are placed before the Audit Committee at regular intervals for review discussion and suitable action.

## STATUTORY AUDITORS

M/s. M P Chitale & Co., Chartered Accountants, (Firm Registration No.: 101851W) Statutory Auditors, were re-appointed as the Auditors of the Company to hold office from the conclusion of the Annual General Meeting (AGM) held on September 30, 2014 till the conclusion of the AGM of the Company to be held in 2019 for a period of five years, subject to ratification of their appointment by the Members at every AGM. A Certificate confirming their eligibility under Section 141 of the Companies Act, 2013 and Rules framed thereunder to continue as Auditors for the FY 2017-18 have been received from the Auditors. The Members are requested to ratify the appointment of M/s. M P

Chitale & Co. as Statutory Auditors of the Company till the conclusion of the next AGM and to authorise the Board to determine their remuneration for the FY 2017-18

The report of the Statutory Auditor for FY 2016-17 does not contain any qualifications, reservations or adverse remarks or disclaimers

#### **COST AUDITOR AND COST AUDIT REPORT**

Pursuant to Section 148 of the Companies Act 2013 and the Companies (Cost Records and Audit) Rules 2014 framed thereunder, the Board of Directors at their meeting held on August 24, 2016 had on the recommendation of the Audit Committee appointed Chivilkar Solanki & Associates, Cost Accountant (Firm Registration No. 000468) as the Cost Auditor of the Company for the FY 2016-17

Chivilkar Solanki & Associates has confirmed their eligibility for appointment for the F.Y 2017-18 and that they are free from any disqualifications for being appointed as Cost Auditors under the provisions of the Companies Act, 2013

The Board of Directors has recommended to the Members remuneration payable to Chivilkar Solanki & Associates, Cost Auditor for the F.Y 2017-18 to be approved at the ensuing AGM

#### **SECRETARIAL AUDIT & SECRETARIAL AUDIT REPORT**

Pursuant to the provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, your Company has appointed M/s Jayshree Dagli & Associates, Mumbai, (CP 487), Company Secretaries in whole-time practice to carry out the Secretarial Audit of the Company for the Financial Year 2016-17 as recommended by Audit Committee

The report of the Secretarial Auditor is enclosed as **Annexure A**. The report does not contain any qualification

\* Ceased to be Director with effect from November 4, 2016

The Managing Director appointed by the Company is not paid any remuneration except Sitting Fees for attending each meeting of the Board / Committee thereof. Further, there are no employees on the rolls of the Company. In view of the aforesaid, no disclosures are required to be made in terms of Rule 5 of the Appointment and Remuneration of Managerial Personnel Rules 2014

(vi) Committee of Directors:

The Board of Directors has duly constituted the Committee of Directors in terms of Section 179(3) of the Companies Act, 2013. The committee has not met during the year.

Upon resignation of Mr George Cherian, the re-constitution of the Committee of Directors has been considered at the Board Meeting held on April 27, 2016 by inducting Mr S C Sachdeva as a Member of the Committee

**Related Party Transactions**

All related party transactions during the year have been entered into in ordinary course of business and on arm's length basis and are in compliance with the applicable provisions of the Companies Act, 2013. There are no materially significant transactions made with any of the related parties of the Company

Accordingly, there are no contracts or arrangements with related parties to be disclosed in Form AOC-2 pursuant to Clause (h) of Sub section (3) of Section 134 of the Companies Act, 2013 and Rule 8(2) of the Companies (Accounts) Rules, 2014

The Company has developed a Related Party Transactions Policy & Framework for the purpose of identification and approval of such transactions. A Statement of all related party transactions consummated as per the Related Party Transactions Policy & Framework is placed before the Audit Committee every quarter for their approval.

#### **Conservation of energy, technology absorption, foreign exchange earnings and outgo**

Since, the Company does not have any manufacturing facility, the other particulars required to be provided in terms of the disclosures required under Rule 8(3) of the Companies (Accounts) Rules, 2014 are not applicable to the Company. There was no earning or outgo of foreign exchange during the year under review

#### **Vigil mechanism for directors and employees**

In accordance with the provisions of the Companies Act, 2013 the Company has established a vigil mechanism by adopting a Whistle Blower Policy for the directors and employees to report genuine concerns or grievances

The administration of the vigil mechanism is being done through Audit Committee

We confirm that during the financial year 2016-2017, no employee of the Company was denied access to the Audit Committee

#### **Deposits**

During the financial year under consideration, your Company has not accepted any public deposits within the meaning of section 73 of the Companies Act, 2013 and the rules made there under

#### **Particulars of loans, guarantees or investments under section 186**

During the year under review, the Company has not made any investments nor given any loans / guarantees / provided security in connection with a loan granted to any person or body corporate in terms of Section 186 of the Companies Act, 2013

#### **Performance Evaluation:**

The Companies Act, 2013 states that a formal annual evaluation needs to be made by the Board of its own performance and that of its committees and individual directors. Schedule IV of the Companies Act, 2013 states that the performance evaluation of independent directors shall be done by the entire Board of Directors, excluding the director being evaluated

The performance evaluation of the Directors, the Board and its Committees was carried out based on the criteria /manner recommended by the Nomination & Remuneration Committee and approved by the Board of Directors

The performance evaluation of the Independent Directors was also carried out by the entire Board. Your directors express their satisfaction with the evaluation process

### **Policy for Prevention of Sexual Harassment at workplace**

The Company has provided a safe and dignified work environment for its employees which is free of discrimination, intimidation and abuse. The Company has adopted a Policy for Prevention of Sexual Harassment of Women at Workplace under the provisions of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 ("Act"). The objective of this policy is to provide protection against sexual harassment of women at workplace and for redressal of complaints of any such harassment. The Internal Complaints Committee to redress the complaints received under the Act is in place

No complaints have been received during the year under review

### **Material Changes and Commitments affecting the financial position of the Company**

Except as disclosed elsewhere in this report, there have been no material changes and commitments which can affect the financial position of the Company occurred between the end of the financial year of the Company and date of this report

### **Significant and Material Orders passed by the Regulators or Courts or Tribunals**

There are no significant material orders passed by the Regulators/Courts which would impact the going concern status of the Company and its future operations

### **Directors' Responsibility Statement**

In terms of provisions of Section 134(5) of the Companies Act, 2013, your Directors based on the representations received from the Operating Management confirm that:

- (a) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit of the company for that period;

- (c) they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) they have prepared the annual accounts on a going concern basis;
- (e) they have laid down internal financial control to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- (f) they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively

**Particulars of Employees**

There were no such employees of the Company for which the information required to be disclosed pursuant to Section 197 of the Companies Act 2013 read with Rule 5(2)&(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

**Risk Management**

Your Company recognizes that risk is an integral part of business and is committed to managing the risks in a proactive and efficient manner. There are no risks which in the opinion of the Board affect the Company operations on going concern basis

The Board periodically reviews the risks and measures are taken for mitigation

**Acknowledgements**

The Directors place on record their appreciation for the support and co-operation received from various Government Authorities including National Highway Authority of India and other Regulatory Authorities, Banks, Financial Institutions and Shareholders of the Company

**SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31<sup>st</sup> March, 2017

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,  
The Members,  
**NORTH KARNATAKA EXPRESSWAY LIMITED**  
**Mumbai**

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **North Karnataka Expressway Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended 31<sup>st</sup> March, 2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

**(A)** We have examined the books, papers, minute books, forms and returns filed and other records maintained by **North Karnataka Expressway Limited** ("the Company") for the financial year ended 31<sup>st</sup> March, 2017 according to the provisions of:

1. The Companies Act, 2013 ("the Act") and the rules made thereunder;
2. The Securities Contracts (Regulations) Act, 1956 ("SCRA") and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

**Contd ..... 2.**

5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):-

- (a) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 & Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (d) Securities And Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

6. Based on the nature of the business activities of the Company the following specific regulations/ laws etc. are considered to be applicable to the Company.

- a. Building And Other Construction Workers (Regulation Of Employment And Conditions Of Service) Act,
- b. Environment (Protection) Act, 1986
- c. Air (Prevention and Control of Pollution) Act, 1981
- d. Water (Prevention and Control of Pollution) Act, 1974
- e. Forest Conservation Act, 1980
- f. Hazardous Wastes (Management and Handling) Rules, 1989
- g. Labour Laws, as applicable
- h. Concession Agreement with National Highways Authority of India (NHAI).

(B) We have also examined compliance with the applicable clauses of the Secretarial Standards for Board Meetings (SS-1) and for General Meetings(SS-2).

During the year under review, the Company has generally complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

**Contd ..... 3.**

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF NORTH KARNATAKA EXPRESSWAY LIMITED**

**1. Report on the Financial Statements**

We have audited the accompanying financial statements of **North Karnataka Expressway Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2017, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

**2. Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**3. Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design

audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### 4. **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2017, and its profit, its cash flows and changes in equity for the year ended on that date.

#### 5. **Report on Other Legal and Regulatory Requirements**

- (i) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
- (ii) As required by sub- section (3) of section 143 of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and changes in equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, Balance Sheet, Statement of Profit and loss including other comprehensive income, Cash Flow Statement and statement of changes in equity comply with the Indian Accounting Standards referred to Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015.
  - (e) On the basis of written representations received from the Directors as on 31<sup>st</sup> March, 2017, none of the directors is disqualified as on 31<sup>st</sup> March, 2017, from being appointed as a director in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended by the Companies (Audit and Auditors) Rules, 2017, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigations in its financial statements - Refer Note 28.1 of Financial Statement;
- (ii) The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There are no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (iv) The Company was not in a position to provide adequate information to support the requisite disclosure made in Note no.31 in its financial statements as to holding as well as dealing in Specified Bank Notes (SBN's) during the period from November 8, 2016 to December 30, 2016. Hence, we are not in a position to comment whether the requisite disclosures have been made and that they are in accordance with books of accounts maintained by Company.

**ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT**  
**(Refer to in paragraph 5 (i) of our report of even date)**

- i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of all fixed assets.
- (b) The Management has conducted physical verification of major fixed assets during the year. We are informed that no material discrepancies were noticed on such verification.
- (c) The company does not possess any immovable property, this clause does not apply to the company.
- ii) Since, the company does not have any inventory; these clauses do not apply to the company
- iii) a) The company has granted an unsecured loan to a party covered in the register maintained U/S 189 of the Companies Act, 2013. In our opinion the terms and conditions of the grant of such loans are prima facie not prejudicial to the interest of the company.
- b) In case of the above loan, the schedule of principal repayment and interest payment has been stipulated and based on the information and explanations furnished to us, we are of the opinion that prima facie receipt of principal is regular. *However, payment of interest has been irregular.*
- c) There is no overdue principal amount in respect of the loan granted to a body corporate listed in the register maintained under section 189 of the Act. *Amount of interest overdue for more than 90 days aggregates to Rs. 902.08 lakhs. The company was unable to provide adequate information to indicate the reasonable steps taken by the company for recovery of overdue interest.*
- iv) According to the information and explanations given to us and on the basis of representation of the management which we have relied upon, the loan given by the company is not covered by Section 185 or Section 186 of The Companies Act, 2013 and hence, this clause is not applicable.
- v) The Company has not accepted deposits from the public in terms of provisions of sections 73 to 76 of the Companies Act, 2013.
- vi) Pursuant to the rules prescribed by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, we have broadly reviewed the cost records and are of the opinion that prima facie, the prescribed records have been made and maintained by the Company.
- vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, undisputed statutory dues have been

regularly deposited with the appropriate authorities and there are no statutory dues that are outstanding more than six months at the end of year.

- (b) Details of dues of Income tax which has not been deposited as on March 31, 2017 on account of disputes are given below:-

Statute	Nature of Dues	Forum Where dispute is pending	Period to which the amount relates(Assessment Year)	Amount involved (Rupee in Lakhs.)
Income Tax Act, 1961	Income Tax	ITAT	2005-06	180.64
		CIT(A)	2005-06	756.52
		CIT(A)	2007-08	2.13
		ITAT	2008-09	86.47
		ITAT	2009-10	74.17
		ITAT	2010-11	1.06
		ITAT	2011-12	1.03
Total				1,102.02

- viii) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of dues to debenture holders.
- ix) According to the information and explanations given to us the company has neither raised money by way of a public offer nor has it availed any term Loans from bank/ Financial institutions during the year.
- x) According to the information and explanations given to us and on the basis of representation of the management which we have relied upon, no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- xi) According to the information and explanations given to us, managerial remuneration has been paid in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- xii) Since the company is not a nidhi company, this clause is not applicable to the company.
- xiii) According to the information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 as applicable and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiv) The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.

According to the information and explanations given to us, the company has not entered into any non cash transactions with directors or persons connected with him.

- (xvi) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

**ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT**  
**(Refer to in paragraph 5 (ii)(f) of our report of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of North Karnataka Expressway Limited ("the Company") as of 31<sup>st</sup> March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the financial statement for the year ended March 31, 2017

---

## **Notes forming part of the financial statements for the year ended March 31, 2017**

### **North Karnataka Expressway Limited**

### **General Information & Significant Accounting Policies**

#### **Note No-1**

##### **1. General information**

The Company has been set up with the main object of promoting, developing, financing, building / constructing, modifying, operating and maintaining the Belgaum Maharashtra Border Road on NH - 4 and its ancillary facilities.

The Company has entered into a Service Concession Arrangement ("SCA") with the National Highways Authority of India ("NHAI") on 20th November, 2001, for the rehabilitation and strengthening of the existing 2 lanes from Km 515 to Km 592 stretch of National Highway 4 ("NH - 4") (i.e. the Dharwad-Maharashtra border section of NH - 4 in the State of Karnataka – hereinafter referred to as the "Road") and the widening thereof into a 4 lane dual carriageway on a Build-Operate-Transfer ("BOT") basis.

The Concession under the SCA has been granted to the Company for a period of 17 years and 6 months from 20th June, 2002; thus, the concession period ends on 19th December, 2019. Premature termination is permitted only upon the happening of a force majeure event or upon the parties defaulting on their obligations. The SCA does not provide for renewal options.

The Company completed the construction of the Road on 19th July, 2004. The Company is required to operate and maintain the Road to standards defined in the SCA either by itself or through a qualified contractor. Maintenance activities include routine maintenance, periodic maintenance of the flexible pavement at predefined intervals, periodic maintenance of the rigid pavement at the end of a predefined period and emergency maintenance. The Company is also required to insure the Road, carry out other maintenance works including maintenance of illumination installations, traffic signs and markings, landscaping, safety barriers and pedestrian guard rails, service area, Road, furniture etc. In consideration for performing its obligations under the SCA, the Company is entitled to an annuity, with predefined sums payable on dates specified in the SCA. NHAI retains the rights to levy and collect fees from the users of the Road and to permit advertisements, hoardings and other commercial activity at the Road site. At the end of the concession period, the Company will hand back the Road to the NHAI without additional consideration. Having regard to the terms of the arrangement, the Company has classified its right to receive the annuity as a financial asset (i.e. "Receivables under the Service Concession Arrangement").

#### **Note No-2**

##### **2. Significant accounting policies**

##### **2.1 Statement of compliance**

The financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015.

Upto the year ended March 31, 2016, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These are Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2015. Refer Note xx for the details of first-time adoption exemptions availed by the Company.

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

## **2.2 Basis of preparation and presentation**

The financial statements have been prepared on a historical cost basis, except for the following asset and liabilities which have been measured at fair value:

- Derivative financial instruments,
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments),

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these [consolidated] financial statements is determined on this basis.

The principal accounting policies are set out below.

## **2.3 Fair value measurement**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as properties and significant liabilities, such as contingent consideration.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

## **Note No-3**

### **3.1 Accounting for rights under service concession arrangements and revenue recognition**

#### **i. Recognition and measurement**

The Company builds, operates and maintains infrastructure assets under public-to-private Service Concession Arrangements (SCAs), which is an arrangement between the "grantor" (a public sector entity/authority) and the "operator" (a private sector entity) to provide services that give the public access to major economic and social facilities utilizing private-sector funds and expertise. The infrastructures accounted for by the Company as concessions are mainly related to the activities concerning roads.

Concession contracts are public-private agreements for periods specified in the SCAs including the construction, upgradation, restoration of infrastructure and future services associated with the operation and maintenance of assets in the concession period. Revenue recognition, as well as, the main characteristics of these contracts are detailed in Note 3.1.iii.

With respect to service concession arrangements, revenue and costs are allocated between those relating to construction services and those relating to operation & maintenance services, and are accounted for separately. Consideration received or receivable is allocated by reference to the relative fair value of services delivered when the amounts are separately identifiable. The infrastructures used in a concession are classified as an intangible asset or a financial asset, depending on the nature of the payment entitlements established in the concession agreement.

When the amount of the arrangement consideration for the provision of public services is substantially fixed by a contract, the Company recognizes revenues from construction services for public facilities (infrastructures) by the percentage-of-completion method, and recognizes the consideration as a financial asset and the same is classified as "Receivables against Service Concession Arrangements". The Company accounts for such financial assets at amortized cost, calculates interest income based on the effective interest method and recognizes it in revenue as Finance Income.

#### **ii. Contractual obligation to restore the infrastructure to a specified level of serviceability**

The Company has contractual obligations to maintain the infrastructure to a specified level of serviceability or restore the infrastructure to a specified condition during the concession period and/or at the time of hand over to the grantor of the SCA. Such obligations are measured at the best estimate of the expenditure that would be required to settle the obligation at the balance sheet date. In case of concession arrangements under financial asset model, such costs are recognized in the period in which such costs are actually incurred.

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

## **iii. Revenue recognition**

Once the infrastructure is in operation, the treatment of income is as follows:

Finance income for concession arrangements under financial asset model is recognized using the effective interest method. Revenues from operations and maintenance services and overlay services are recognized in each period as and when services are rendered in accordance with Ind AS 18 Revenue.

## **iv. Revenue from construction contracts**

The Company recognizes and measures revenue, costs and margin for providing construction services during the period of construction of the infrastructure in accordance with Ind AS 11 'Construction Contracts'.

When the outcome of a construction contract can be estimated reliably and it is probable that it will be profitable, contract revenue and contract costs associated with the construction contract are recognised as revenue and expenses respectively by reference to the percentage of completion of the contract activity at the reporting date. The percentage of completion of a contract is determined considering the proportion that contract costs incurred for work performed upto the reporting date bear to the estimated total contract costs.

For the purposes of recognizing revenue, contract revenue comprises the initial amount of revenue agreed in the contract, the variations in contract work, claims and incentive payments to the extent that it is probable that they will result in revenue and they are capable of being reliably measured.

The percentage of completion method is applied on a cumulative basis in each accounting period to the current estimates of contract revenue and contract costs. The effect of a change in the estimate of contract revenue or contract costs, or the effect of a change in the estimate of the outcome of a contract, is accounted for as a change in accounting estimate and the effect of which are recognized in the Statement of Profit and Loss in the period in which the change is made and in subsequent periods.

When the outcome of a construction contract cannot be estimated reliably, revenue is recognized only to the extent of contract costs incurred of which recovery is probable and the related contract costs are recognized as an expense in the period in which they are incurred.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognized as an expense in the Statement of Profit and Loss in the period in which such probability occurs.

## **v. Borrowing cost related to SCAs**

In case of concession arrangement under financial asset model, borrowing costs attributable to construction of the infrastructure are charged to Statement of Profit and Loss in the period in which such costs are incurred.

In case of concession arrangement under intangible asset model, borrowing costs attributable to the construction of infrastructure assets are capitalised up to the date of the final completion certificate of the asset / facility received from the authority for its intended use specified in the Concession Agreement. All borrowing costs subsequent to the capitalization of the intangible assets are charged to the Statement of Profit and Loss in the period in which such costs are incurred.

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

## **vi. Claims**

Claims raised with the concession granting authority towards reimbursement for costs incurred due to delay in handing over of unencumbered land to the Company for construction or other delays attributable solely to the concession granting authority are recognised when there is a reasonable certainty that there will be inflow of economic benefits to the Company. The claims when recognized as such are reduced from the carrying amount of the intangible asset / financial asset under the service concession arrangement, as the case may be, to the extent the claims relate to costs earlier included as a part of the carrying amount of these assets. Further, these claims are credited to profit or loss to the extent they relate to costs earlier debited to profit or loss. The claims are presented separately as a financial asset

## **3.2 Borrowing costs**

Borrowing costs are recognised in the period to which they relate, regardless of how the funds have been utilised, except where it relates to the financing of construction or development of assets requiring a substantial period of time to prepare for their intended future use. Interest is capitalised up to the date when the asset is ready for its intended use. The amount of interest capitalised (gross of tax) for the period is determined by applying the interest rate applicable to appropriate borrowings outstanding during the period to the average amount of accumulated expenditure for the assets during the period. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

## **3.3 Taxation**

### **Current tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

The provision for tax is taken for each consolidating entity on the basis of the standalone financial statements prepared under Ind AS by that entity and aggregated for the purpose of the consolidated financial statements.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax return with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### **Deferred tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets (including unused tax credits such as MAT credit and unused tax losses such as carried forward business loss and unabsorbed depreciation) are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognized for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognized to the extent that it is probable that there will be sufficient taxable profits against which to utilize the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of to recover or settle the carrying amount of its assets and liabilities.

## **3.4 Property, plant and equipment**

Property, plant and equipment acquired by the Company are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any.

The acquisition cost includes the purchase price (excluding refundable taxes) and expenses, such as delivery and handling costs, installation, legal services and consultancy services, directly attributable to bringing the asset to the site and in working condition for its intended use.

Where the construction or development of any asset requiring a substantial period of time to set up for its intended use is funded by borrowings, the corresponding borrowing costs are capitalized up to the date when the asset is ready for its intended use.

All assets are depreciated on a Straight Line Method (SLM) of Depreciation, over the useful life of assets as prescribed under Schedule II of the Companies Act, 2013.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying of the asset and is recognised in profit or loss.

## **3.5 Impairment of tangible assets**

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

In assessing value in use, the estimated future cash flows are discounted to their present value using appropriate discount rate.

Recoverable amount is the higher of fair value less costs of disposal and value in use.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

## **3.6 Financial instruments**

Financial assets and financial liabilities are recognized when a company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss ("FVTPL") are recognized immediately in the statement of profit and loss.

## **3.7 Financial assets**

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

### **3.7.1 Classification of financial assets – debt instruments**

Debt instruments that meet the following conditions are subsequently measured at amortised cost

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

(except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows;
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

## **3.7.2 Amortised cost and Effective interest method**

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in profit or loss and is included in the "Other income" line item.

## **3.7.3 Reclassification of financial assets**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

### **3.7.3.1 Derecognition of financial assets**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If [the Company] the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g., when the Company retains an option to repurchase part of a transferred asset), [the Company] the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

### **3.7.4 Modification of Cash Flows of financial assets and revision in estimates of Cash flows**

When the contractual cash flows of a financial asset are renegotiated or otherwise modified and the renegotiation or modification does not result in the derecognition of that financial asset in accordance with Ind AS 109, the Company recalculates the gross carrying amount of the financial asset and recognizes a modification gain or loss in profit or loss. The gross carrying amount of the financial asset is recalculated as the present value of the renegotiated or modified contractual cash flows that are discounted at the financial asset's original effective interest rate. Any costs or fees incurred are adjusted to the carrying amount of the modified financial asset and are amortized over the remaining term of the modified financial asset.

If the Company revises its estimates of payments or receipts (excluding modifications and changes in estimates of expected credit losses), it adjusts the gross carrying amount of the financial asset or amortized cost of a financial liability to reflect actual and revised estimated contractual cash flows. The Company recalculates the gross carrying amount of the financial asset or amortized cost of the financial liability as the present value of the estimated future contractual cash flows that are discounted at the financial instrument's original effective interest rate. The adjustment is recognized in profit or loss as income or expense.

### **3.8 Financial liabilities and equity instruments-**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

#### **3.8.1 Classification as debt or equity**

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument

#### **3.8.2 Financial liabilities**

All financial liabilities are subsequently measured at amortized cost using the effective interest method

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

## **3.8.3 Financial liabilities subsequently measured at amortised cost**

Financial liabilities are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

## **3.8.4 Derecognition of financial liabilities**

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

## **3.9 Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

## **3.10 Provisions**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

## **Note No-4**

### **4.1 First-time adoption optional exemptions**

#### **4.1.1 Overall principle**

The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2015 (the transition date) by recognizing all assets and liabilities whose recognition is required by Ind AS, not recognizing items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognized assets and liabilities. However, this principle is subject to the certain exception and certain optional exemptions availed by the Company as detailed below

#### **4.1.2 Derecognition of financial assets and financial liabilities**

The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after April 1, 2015 (the transition date).

#### **4.1.3 Accounting for changes in parent's ownership in a subsidiary that does not result in a loss of control**

The Company has accounted for changes in a parent's ownership in a subsidiary that does not result in a loss of control in accordance with Ind AS 110, prospectively from the date of transition.

#### **4.1.4 Classification of debt instruments**

The Company has determined the classification of debt instruments in terms of whether they meet the amortized cost criteria or the FVOCI criteria based on the facts and circumstances that existed as of the transition date.

#### **4.1.5 Impairment of financial assets**

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognized in order to compare it with the credit risk at the transition date. Further the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind ASs, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

#### **4.1.6 Past business combinations**

The Company has elected not to apply Ind AS 103 Business Combinations retrospectively to past business combinations that occurred before the transition date of April 1, 2015.

Consequently,

- the Company has kept the same classification for the past business combinations as in its previous GAAP financial statements;
- the Company has not recognised assets and liabilities that were not recognised in accordance with previous GAAP in the balance sheet of the acquirer and would also not qualify for recognition in accordance with Ind AS in the separate balance sheet of the acquiree; the Company has excluded from its opening balance sheet those items recognised in accordance with previous GAAP that do not qualify for recognition as an asset or liability under Ind AS;

# **NORTH KARNATAKA EXPRESSWAY LIMITED**

Notes forming part of the financial statement for the year ended March 31, 2017

---

- the Company has tested the goodwill for impairment at the transition date based on the conditions as of the transition date;
- the effects of the above adjustments have been given to the measurement of non-controlling interests and deferred tax.

The Company has not applied Ind AS 21 - The Effects of Changes in Foreign Exchange Rates retrospectively to fair value adjustments and goodwill arising in business combinations that occurred before the transition date.

The above exemptions in respect of business combinations have also been applied to past acquisitions of investments in associates, interests in joint ventures and interests in joint operations in which the activity of the joint operation constitutes a business, as defined in Ind AS 103.

## **4.2. Critical accounting judgements and key sources of estimation uncertainty**

The preparation of Financial Statements in conformity with the recognition and measurement principles of Ind AS requires management to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures of contingent liabilities at the date of the Financial Statements and the reported amounts of income and expenses for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of Financial Statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of receivable under SCA, valuation of deferred tax assets, provisions and contingent liabilities.

## 12.1 Summary of borrowing arrangements

(i) On December 9, 2010, the Company had issued 4,636 Secured, Rated, Taxable, Zero-Coupon, Redeemable Non-Convertible Debentures ("NCDs") of Rs.1,000,000/- each fully paid carrying a yield to maturity of 9.00% p.a. (calculated semi-annually) on private placement basis (to Deutsche Bank International Asia – Debt Fund and Deutsche Investments India Private Limited (the "Investors")). These NCDs are redeemable in nineteen semi-annual installments commencing from March 11, 2011 and ending on January 15, 2020. The Company has the right to purchase such debentures at any time at the price available in the Debt market in accordance with the applicable laws.

The first charge in favour of the Debenture Trustee acting for the benefit of the Investors has been created and has also been registered.

## (ii) Secured By:

- (1) all bank accounts of the Company;
- (2) all rights, title and interests of the Company in, to and under all movable properties and assets of the Company;
- (3) all rights, title and interests of the Company in, to and under all Project Agreements, clearances, Insurance Contracts, incorporeal rights and
- (4) all amounts/receivables due to or received by the Company, including those from NHAI under the terms of the Concession Agreement).

(iii) There were no defaults in redemptions of Non convertible debentures (including payments of redemption premia along with the redemption of face value of debentures) during the nine months ended March 31, 2017 and year ended March 31, 2016.

## 24. Income taxes relating to continuing operations

### 24.1 Income tax recognized in profit or loss

₹

Particulars	Year ended March 31, 2017	Year ended March 31, 2016
<b>Current tax</b>		
In respect of the current period	40,700,000	72,000,000
In respect of prior period	-	2,591,994
<b>Total</b>	<b>40,700,000</b>	<b>74,591,994</b>
<b>Total income tax expense recognized in the current period relating to continuing Operations</b>	<b>40,700,000</b>	<b>74,591,994</b>

The income tax expense for the period can be reconciled to the accounting profit as follows:

Particulars	Year ended March 31, 2017	Year ended March 31, 2016
Profit before tax from continuing operations	160,872,310	190,925,152
Income tax expense calculated at the rate of 34.608% for March 2017 and at the rate of 21.342% for March 2016 respectively.	40,700,000	40,747,246
Effect of income that is exempt from taxation		
Effect of expenses that are not deductible in determining taxable profit		
Effect of annuity income being taxable based on accrual instead of service concession accounting followed for financial reporting purposes	-	123,223,110
Effect of accounting for borrowings at amortised cost based on the effective interest rate method	-	59,736
Effect of depreciation allowed under tax instead of service concession accounting followed for financial reporting purposes	-	(90,600,310)
Effect of overlay expenditure disallowed in tax in the period in which incurred but rather added to fixed assets block	-	2,108,126
Others	-	-
Tax expense (rounded off)	40,700,000	76,000,000
Adjustments recognized in the current year in relation to the current tax of prior years	-	2,591,994
Income tax expense recognized in profit or loss (relating to continuing operations)	40,700,000	78,591,994

The tax rate used for the reconciliations is 21.342% which is tax payable on book profits by the Company since it is currently under the tax holiday period under the Income-tax Act, 1961.

**Notes** forming part of the financial statements for the year ended March 31, 2017**25. Earnings per share**

<b>Diluted earnings per share (A/B)</b>	<b>2.02</b>	<b>1.96</b>

## Notes forming part of the financial statements for the year ended March 31, 2017

## 26. Financial instruments

## 26.1 Capital management

The company manages its capital to ensure that it will be able to continue as going concern while maximising the return to shareholders and also complying with the ratios stipulated in the loan agreements through the optimisation of debt and equity balance.

The capital structure of the company consists of debt (borrowings as detailed in notes) and equity of the Company (comprising issued capital, reserves and subordinated debt from the immediate Parent Company).

## 26.1.1 Gearing ratio

The gearing ratio at end of the reporting period was as follows.

Particulars	As at March 31, 2017	As at March 31, 2016	As at April 1, 2015
Debt	1,684,315,526	2,176,555,197	2,643,249,970
Cash and bank balances (including cash and bank balances in a disposal company held for sale)	886,300,672	735,957,299	752,337,562
Net Debt (A)	798,014,854	1,440,597,898	1,890,912,408
Equity (B)	1,406,753,710	1,976,380,105	2,234,291,067
Net Debt to Equity Ratio in times (A/B)	0.57	0.73	0.85

(i) Debt is defined as long-term, current maturity of long term, short term borrowings and interest accrued thereon

(ii) Total equity is defined as equity share capital and reserves and surplus

## 26.2 Categories of financial instruments

Trade Payables	5,508,309	11,341,386	47,878,406
Others			

## 26.3 Financial risk management objectives

The company's financial risks mainly include market risk (interest rate risk), credit risk and liquidity risk.

## 26.4 Market risk

The company's activities expose it primarily to the financial risks of changes in interest rates.

There has been no significant change to the company's exposure to market risks or the manner in which these risks are managed and measured.

## 26.5 Interest rate risk management

Since the company's paying at fixed interest rate. Hence, company is not exposed to Interest rate risk management.

The company's exposures to interest rates on financial assets and financial liabilities are detailed in the liquidity risk management section of this note.

## 26.5.1 Interest rate sensitivity analysis

Company is paying at fixed interest rate, the interest rate sensitivity analysis is not applicable.

## 26.6 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The company has adopted a policy of only dealing with creditworthy counterparties. The Management believes that the credit risk is negligible since its main receivable is from the grantors of the concession which is a government authority.

## 26.7 Liquidity risk management

The company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. Notes below sets out details of additional undrawn facilities that the company has at its disposal to further reduce liquidity risk.

### 26.7.1 Liquidity and interest risk tables

The following tables detail the company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate prevailing at the end of the reporting period. The contractual maturity is based on the earliest date on which the company may be required to pay.

3 - 5 years	-	-		629,960,000		1,272,680,000
5+ years	-	-		-	-	-
Total	5,508,308.69	1,934,320,000	11,341,386	2,608,920,000	47,878,406	3,302,700,000

The amounts included above for financial guarantee contracts are the maximum amounts the company could be forced to settle under the arrangement for the full guaranteed amount if that amount is claimed by the counterparty to the guarantee. Based on expectations at the end of the reporting period, the company considers that it is more likely than not that such an amount will not be payable under the arrangement. However, this estimate is subject to change depending on the probability of the counterparty claiming under the guarantee which is a function of the likelihood that the financial receivables held by the counterparty which are guaranteed suffer credit losses.

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Swapan Paul fulfils the criteria for appointment as an Independent Director in accordance with the provisions of the Companies Act, 2013, his appointment as an Independent Director of the Company by the Members is recommended. The Board of Directors has appointed him as an Additional Director (Independent) with effect from November 16, 2016. Hence on approval by the Members of his appointment as an Independent Director he will hold the office from date of passing of the resolution by the member's till November 15, 2019 and he shall not be liable to retire by rotation during his said tenure. A notice has been received from a Member proposing Capt. Swapan Paul as a candidate for the office of Director of the Company along with the requisite deposit in accordance with Section 160 of the Act

The Board considers that Capt. Swapan Paul's continued association would be of immense benefit to the Company and it is desirable to continue to avail services of him as an Independent Director. Accordingly, the Board recommends the resolution in relation to appointment of Capt. Swapan Paul as an Independent Director, for the approval by the Members of the Company

Except Capt. Swapan Paul, being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise in the resolution set out at Item No. 5
