- 4 Income from Operations for the year ended March 31, 2015 includes an amount of ₹ 23,527 lakhs on account of aggregate compensation claimed by the Company from two Special Purpose Vehicles ("SPVs") and by the two SPVs on the Concession Granting Authority ("CGA") for the incremental work and related claims arising from delays due to handing over of the land by CGA for project execution. The compensation is based on the provisions in the Service Concession Agreements and is supported by the Extension of Time granted by the Independent Engineers. The SPVs were legally advised that they are contractually entitled to such claims under the Service Concession Agreements. Accordingly, the respective SPVs had filed the claim with the CGA, however, the SPVs have not received any approval for the same from the CGA till date. Costs in connection with the foregoing were considered in recognising the above income. Auditors report include an emphasis of matter paragraph in this regard.
- 5 The figures for the quarter ended March 31, 2015 are balancing figures arrived at as the difference between the audited figures of the full financial year and the published unaudited figures for nine months ended December 31, 2014 which were subjected to a limited review.
- 6 The Company has only a single reportable primary (business) segment viz. Surface Transportation Business.
- 7 The figures for the year ended March 31, 2015, quarter ended March 31, 2015 and quarter ended June 30, 2014 have been regrouped and / or re-arranged wherever necessary to conform to the classification adopted in the current quarter ended June 30, 2015.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE BOARD OF DIRECTORS OF IL&FS TRANSPORTATION NETWORKS LIMITED

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results and the related Notes thereon of **IL&FS TRANSPORTATION NETWORKS LIMITED** ("the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") its associates and jointly controlled entities / operation for the quarter ended June 30, 2015 ("the Statement"/"Consolidated Financial Results"), being submitted by the Holding Company pursuant to the requirement of Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures in Part II - Select Information referred to in paragraph 9 below. This Statement has been prepared on the basis of the related condensed consolidated financial statements, which are the responsibility of the Holding Company's Management and have been approved by the Board of Directors. Our responsibility is to issue a report on the Statement, based on our review of the related interim condensed consolidated financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS-25) on Interim Financial Reporting specified under the Accounting Standards notified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. The Statement includes the results of the entities listed in the Annexure attached.

4. We did not review the financial statements of:
- a. Forty-five subsidiaries whose interim condensed financial statements / information reflect total revenues of Rs.58,367 lakhs for the quarter ended June 30, 2015 and total profit after tax (net) of Rs.3,015 lakhs for the quarter ended on that date, as considered in the consolidated financial results.
 - b. Seven jointly controlled entities which reflect total revenues of Rs.8,241 lakhs for the quarter ended June 30, 2015 and total profit after tax (net) of Rs.503 lakhs for the quarter ended on that date, as considered in the consolidated financial results.
 - c. Ten associates in whom the Group's share of profit (net) is Rs.24 lakhs for the quarter ended on June 30, 2015, as considered in the consolidated financial results.

The financial statements of these sixty-two entities have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors.

5. The consolidated financial results includes the Group's share in loss after tax of Rs.123 lakhs, (carrying value of Rs.14,050 lakhs as at June 30, 2015), as considered in the consolidated financial results, in respect of one associate, based on the unaudited financial information as at / for the quarter ended March 31, 2015 prepared by the Management, which was not subjected to Limited review by the auditors. This financial information has been certified by the Management of the entity and our opinion on the Statement, in so far as it relates to the amounts included in respect of this associate, is based solely on such certified interim financial information. Any adjustment to the financial information could have consequential effects on the attached Statement. However, the size of the entity in the context of the Group is not material.
6. One of the Subsidiary Company was under liquidation in the previous year and the financial information is not available with the Company post March 31, 2015. Accordingly, no adjustments have been made to the financial result in respect of this subsidiary company. However, the size of the entity in the context of the Group is not material.
7. Based on our review conducted as stated above and based on the consideration of the reports of the other auditors referred to in paragraph 4 above and based on the unaudited financial information of one associate as mentioned in paragraph 5 above and no financial information of one subsidiary as mentioned in paragraph 6 above and read together with our comments in paragraph 8 and 9 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the Accounting Standards (AS-25) on Interim Financial Reporting specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India, has not disclosed the

information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement

8. We draw attention to:

(i) the following elements as explained in Note 13 of the Statement in respect of Intangible Asset / Intangible asset under development under the Service Concession Arrangements determined on the basis of:

A. Technical evaluations made by experts with respect to:

B. Internal evaluation by the Management with respect to the margin (construction revenue less construction costs) included in the fair value estimate of the construction services (as required by the Draft Guidance note on Service Concession Arrangements) as part of the intangible asset covered under each Service Concession Arrangements. The cumulative margin included in Intangible asset and Intangible asset under development aggregates Rs.138,860 lakhs of which Rs.6,414 lakhs is recognised for the quarter ended June 30, 2015.

- b. current quarter revenue of Rs.19,561 lakhs being the financial income on the basis of the effective interest rate applied on the fair value of the construction services, future operating and maintenance costs and provision for overlay and renewal costs, considering the contractual provisions of each Service Concession Arrangement and the contracted annuities receivable over the Concession period
- (iii) Note 8 of the Statement, wherein consequent to the Associate Company's exit from CDR the matter of continuing the advance towards Capital / Debt classification is subject to approval from Government of Gujarat. Pending such approval the company's investment in advance towards Capital / Debt has been kept as such.
- (iv) Note 6 of the Statement, regarding an amount of Rs.26,093 lakhs included as Income from Operations for the year ended March 31, 2015 on account of aggregate compensation claimed by the Holding Company from two Special Purpose Vehicles ("SPVs"). The respective SPVs have filed an onward claim with the CGA, however, the SPVs have not received approval for the same from the CGA till date.
- (v) an emphasis of matter paragraph given by the auditors of one of the subsidiary companies, in respect of the matter explained in Note 11 of the Statement, drawing attention to the unascertainable impact on account of additional works / revised project specifications, which have been determined based on the Management estimates and / or technical evaluation by independent experts.
- (vi) an emphasis of matter paragraph given by the auditors of one of the subsidiary companies, in respect of the matter explained in Note 10 of the Statement, drawing attention that the appropriateness of the going concern assumption is dependent upon the Annuity and Claim receivable from Kerala Road Fund Board due to delay in the project. According to the Management there is no additional financial impact on the consolidated financial statement owing to the above matter.

Our conclusion is not modified in respect of the above mentioned matters from 8(i) to (vi).
